
Who We Are

The primary purpose of the Santa Rosa City Employees Association/Teamsters (SRCEA /Teamsters) is to represent the City employees in the following unites in their employment relations with the City of Santa Rosa.

President, Vice President, Secretary and Treasurer are elected at the large from Units 4, 6, and 7. The Support Services, Professional and Technical representative members are elected from each unit. Board members must hold a permanent position with the City.

Only dues paying members vote on contracts and participate in elections.

What We Do

The SRCEA/Teamsters Board negotiates labor contracts for Units 4, 6 and 7. The Board sends out questionnaires to members soliciting their input regarding wages, employees and retirement benefits. The SRCEA/Teamsters Board represents members in disciplinary actions, job elimination and layoff cases and assists in filing grievances when necessary.

SRCEA Unity Pledge

We have dedicated our professional lives to serve in the public interest. Some of our work is visible to the everyday citizen, while others work “behind the curtain,” maintaining critical infrastructure, staffing our offices, running programs and delivering the services our community expects.

We work hard every day to make Santa Rosa a better place to live.

We pledge our unity to one another in our struggle for a fair contract.

We deserve better as do the citizens of Santa Rosa.

By becoming a dues paying member, you support an organization that works to maintain and improve your work environment.

For more information contact your UNIT representative.
